Address: HWC PHC Barwala, Panchkula, (Village Bataur) PIN Code: 134118

Certificate of Participation

This certifies that Mrs. Kusum Hooda has played a key role in celebrating world yoga day since 2016 at the primary health centre Barwala Panchkula.

She has participated in fieldwork and has spread awareness about the health benefits of yoga through fieldwork. She got the opportunity to engage with those communities who were not aware of the miracle of yoga and breath work and now they have started indulging in the practices of yoga and breath work after gaining the right knowledge and tools through her dedicated work and passion for yoga.
